Environmental Leaders Program is an experiential school-year long sustainability program targeting high school students in their junior and senior year. Students are eligible to receive Student Service Learning (SSL) hours toward their graduation.

The training focuses on environmental stewardship and community engagement with local organizations and businesses.

Program Activities: Hands-on project management experience, sustainability writing, and research and a conservation/environmental project implementation, plus so much more!!

How to apply: Please send a resume, cover letter, and a brief writing sample (300-500 words) to info@bethesdagreen.org, with 'Environmental Leaders' in the subject line.
